Progress Towards Meeting District Goals

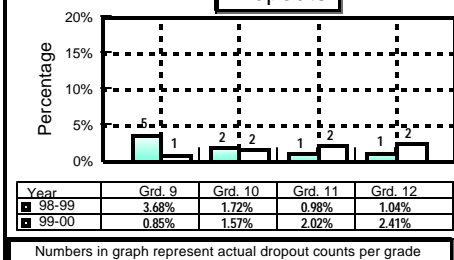

1999-00 Goals	Progress
Upgrade Computer Technology System	The School District has upgraded approximately 130 computers to windows 98 in Elementary, Middle school, and High School. A new computer lab is in operation in the Elementary to accommodate the new Accelerated Math Program. The Middle and Elementary Schools have been using the Accelerated Reading Programs for several years. The Accelerated Math program is now in use in the Middle and High School.
Promote Effective use of Technology	The High School Biology Department added computers to the lab equipped to connect with overhead video projection and microscopes. Teachers in the High School and Middle School are utilizing Smart Boards.
New Educational Programs	Video Production Program expanded to include the High School. A classroom was remodeled to accommodate the equipment purchased for the new class in Video Production. The students conduct interviews, daily announcements via television and special presentations. The Video Production Network is affiliated with Channel 38 Cable TV, which broadcasts 24-Hour Fruitland School News. Alternative Education Classes in Math English offered at the Middle School.
Safe and Healthy Environment	New Elementary Playground Equipment installed through the joint efforts of the PTO and School Board. Permanent benches installed at the Middle School and Elementary. New A/C and Heating System installed in the Elementary lunchroom.
